## Curriculum Companion Web-based Resources

### Professional Development Program

The Curriculum Companion Professional Development Program includes flexible options for district or school site programs to customize a face-to-face professional development program to fit any needs. We provide trainers or can provide materials, training, and ongoing coaching and mentoring for your site-based lead teachers, coaches, or trainers.

### Online Explorations for Teachers

These independent study online explorations provide teachers with the background and knowledge to integrate technology with an English Language Arts program. Topics include setting the stage for technology integration, using graphic organizing software for activities, using Internet resources for research, and more.

### Curriculum Resources by Unit/Theme/Chapter/Cluster

Curriculum Resources by Unit/Theme/Chapter/Cluster include Internet resources and suggested video clips that are aligned to the reading selections and themes, graphic organizers to support reading comprehension, vocabulary, and writing skills, and presentations to build background and support writing. These resources are organized and aligned by the unit, theme, chapter, or cluster from the adopted texts.

### Technology How-To's

These narrated multimedia tutorials will help teachers use the most common software applications and educational web sites with the state adopted curriculum materials. Narrated Flash tutorials show teachers exactly how to perform simple to complex procedures on a variety of software programs, and they are available 24/7.

### Train the Trainer Institutes & Resources

A 4-day Train-the-Trainer program for Open Court and Houghton Mifflin. This institute is for lead teachers, staff development providers, reading or literacy coaches and anyone supporting teachers with the adopted curriculum materials in English Language Arts or technology.

## Curriculum Companion Licensing Information

### Individual Teacher Licenses

Teachers receive a login and password to the Curriculum Companion web site and all of the curriculum resources, technology tutorials, online explorations, presentations, templates, and more for use in their classrooms and for their own professional development.

### Trainer Licenses

Trainer licenses provide those who support teachers or provide training and staff development with additional access to all of our Curriculum Companion staff development materials and resources. This includes training materials for 3-hour workshops, full day in-service, two to four-day institutes or to support an ongoing staff development program.

### Ordering Information

Use the simple order form on the reverse side to mail or fax your order for Curriculum Companion licenses for teachers. For additional information, visit the web site at [www.curriculumcompanion.org](http://www.curriculumcompanion.org) or call us for more details or to schedule a presentation.

### Curriculum Companion - Sources of Funding

Use your EETT grant funds for professional development to provide resources and training for helping your teachers integrate technology in English Language Arts.
