

Holt Curriculum Resources

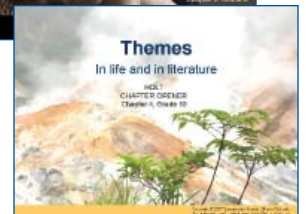

PowerPoint Presentations

Chapter Opener: Each unit in each grade level includes a Chapter Opener presentation which provides discussion prompts and visuals to build background knowledge of the chapter's literary focus.

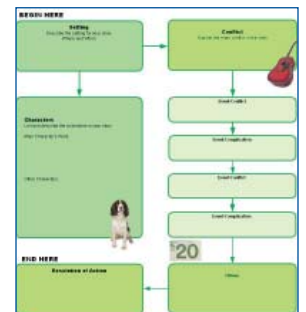

Graphic Organizers

Universal Access: English Language Learners, Learners Having Difficulty, Advanced Learners, and On-Level students will benefit from graphic organizers to support differentiating instruction activities.

Reading Skills: Numerous graphic organizers have been created to support the Reading Skill Focus for selected reading selections throughout the adoption.

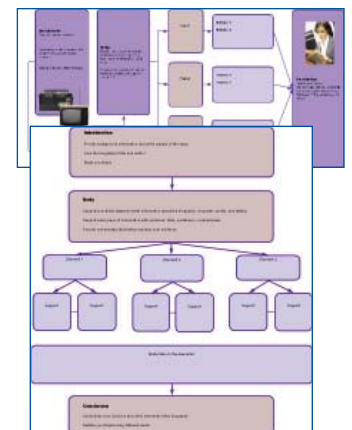

Writing Skills: Each Writing Workshop is supported with a graphic organizer that supports a step, or steps, in the writing process.

Vocabulary: Using the reading selection vocabulary, graphic organizers have been created for various reading selections to introduce and reinforce the vocabulary concepts.

Microsoft Word Organizers

Microsoft Word Graphic Organizers: Many graphic organizers are available for students to use Microsoft Word to edit or modify. Completed Microsoft Word graphic organizers can be printed or e-mailed for evaluation

Internet Resources

Websites: Relevant and appropriate websites have been identified for each of the chapters and reading selections.

Discovery Education Streaming: Titles of Discovery Education Streaming video clips have been identified and are included for each chapter and reading selection for those teachers who have a subscription to this resource. **NOTE:** Curriculum Companion does not include the actual clips.
