

### Vocabulary Web

Write or type vocabulary words in the white shapes. Create more shapes if necessary and delete extra shapes if not used. You can also include the definition of the word in the purple circle. Click on the Merriam Dictionary link to go to an online dictionary and find definitions. Try and find symbols of the sea animals in the library and place them next to the words (see octopus example).

### Teacher Instructions

**(Use this graphic organizer as is or customize it for your students)**

- 1) Change or add symbols using the library (import your own clip art into a new library).
- 2) Add more boxes for student content and reduce/increase the size of text boxes.
- 3) Change the colors of boxes and lines (white boxes are best for print outs).
- 4) Edit prompt text by double clicking and highlighting the text then typing over it.
