

Daedalus and Icarus

Geraldine McCaughrean

Making Inferences

Icarus says, "But we can't get away, can we? How can anyone escape from an island? Fly?" and he laughs.(pg.117)

People who laugh at an idea think that it is a bad one.

What inference can you make about Icarus's view about escaping?

Daedalus made the wings and prepared for the escape without Icarus knowing.(pg.118)

Icarus does not seem too sure that the wings will work. He is too frightened to jump by himself. Daedalus is not concerned.(pg.119)

What inference can you make about Daedalus?

Teacher Instructions (Use this graphic organizer as is or customize it for your students)

- 1) Change or add symbols using the library (import your own clip art into a new library).
- 2) Add more boxes for student content and reduce/increase the size of text boxes.
- 3) Change the colors of boxes and lines (white boxes are best for print outs).
- 4) Edit prompt text by double clicking and highlighting the text then typing over it.
