Cause and Effect

Write examples of cause and effect from the story. Type the signal word in the circle. Find a symbol using the library to illustrate each cause and effect pair. Add more cause and effect boxes if necessary.

Teacher Instructions (Use this graphic organizer as is or customize it for your students)

- 1) Change or add symbols using the library (import your own clip art into a new library).
- 2) Add more boxes for student content and reduce/increase the size of text boxes.
- 3) Change the colors of boxes and lines (white boxes are best for print outs).
- 4) Edit prompt text by double clicking and highlighting the text then typing over it.
